Hello, Janis. Happy new year!

Chris, are you attending the CAG meeting Weds? Alex is unable to. Daewon and I will be there.

Chris or I can give a quick update on winter on-site indoor air sampling planned, the Nov 2017 Area 40 ambient air sampling event preliminary results, and Area 40 documents. The agencies are reviewing the Final Area 40 risk assessment now. The agencies received the revised draft FS for Area 40 in late Dec; this is also currently under agency review.

Pete, would you be able to give the CAG an Area 40 CEQA update Weds eve? Or would the March CAG meeting be better suited for that?

Thanks,  
Lynn
